

BoxLayout

```
classDiagram
    class BoxLayout
    class kiwiy_elements_MainMenu["kiwiy_elements.MainMenu"] {
        + active_tab
        + __init__()
    }
    kiwiy_elements_MainMenu --|> BoxLayout
```

The diagram illustrates a class hierarchy. At the top is the 'BoxLayout' class, represented by a white box with a black border and two empty internal compartments. Below it is the 'kiwiy_elements.MainMenu' class, represented by a grey box with a black border and three compartments. The first compartment contains the class name, the second contains the attribute '+ active_tab', and the third contains the method '+ __init__()'. A blue arrow with a hollow triangular head points from the 'kiwiy_elements.MainMenu' class up to the 'BoxLayout' class, indicating that 'kiwiy_elements.MainMenu' inherits from 'BoxLayout'.

kiwiy_elements.MainMenu

+ active_tab

+ __init__()
